HIV Prevention

The OA has updated the PrEP webpages on the OA website to include factsheets, one providing client information and the other written for providers. The PrEP webpages will expand information in the near future and will include a directory of PrEP providers, California Specific PrEP Guidelines, and other pertinent information as it is developed. The webpages are accessible from the OA homepage at www.cdph.ca.gov/programs/aids/Pages/Default.aspx.

California Planning Group (CPG)

An in-person CPG meeting was held on March 11, 2015, in Sacramento. At the meeting, CPG members received updates on CPG business items and on OA activities around OA-HIPP, quality management, the non-prescription syringe campaign, prevention funding, and the core medical services waiver application. CPG members were also given the opportunity to provide input on OA's statewide needs assessment, specifically regarding service categories and subpopulations. Presentation slides and meeting notes will be posted on the CPG webpage of the OA website at www.cdph.ca.gov/programs/aids/Pages/OACPG.aspx. For questions regarding CPG, please contact Liz Hall at liz.hall@cdph.ca.gov.
