Getting to Zero in San Francisco: How Close Are We?

6:30–8:30 PM

Rainbow Room, LGBT Community Center

1800 Market St., San Francisco

During this World AIDS Day event, the panel of experts was asked by a community member,

“This is all interesting, but are you working together?”

The response was the beginning of GTZ.

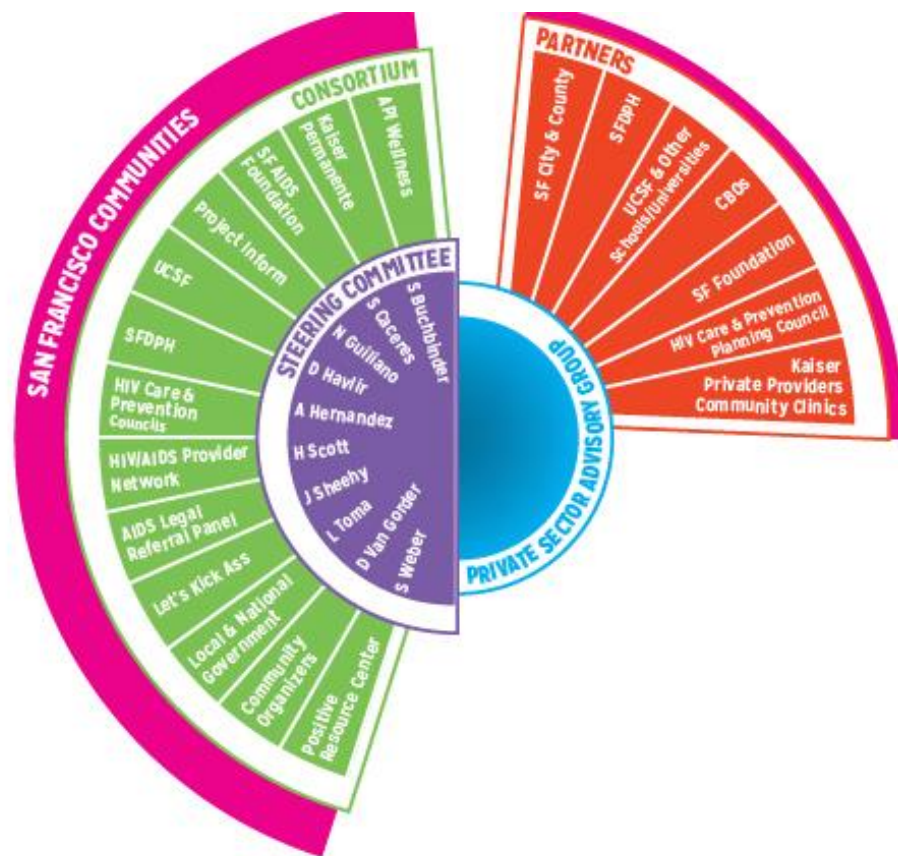

Getting to Zero SF

- GTZ is a multi-sector independent consortium. Operates under principles of collective impact:

“Commitment of groups from different sectors to a common agenda to solve a specific problem.”

- Vision:
Become the first municipal jurisdiction in the United States to achieve the UNAIDS vision of *“Getting to Zero”*

Add more organizations, change steering committee members

Involvement in GTZ: Sponsors and >200 members

Collective Impact

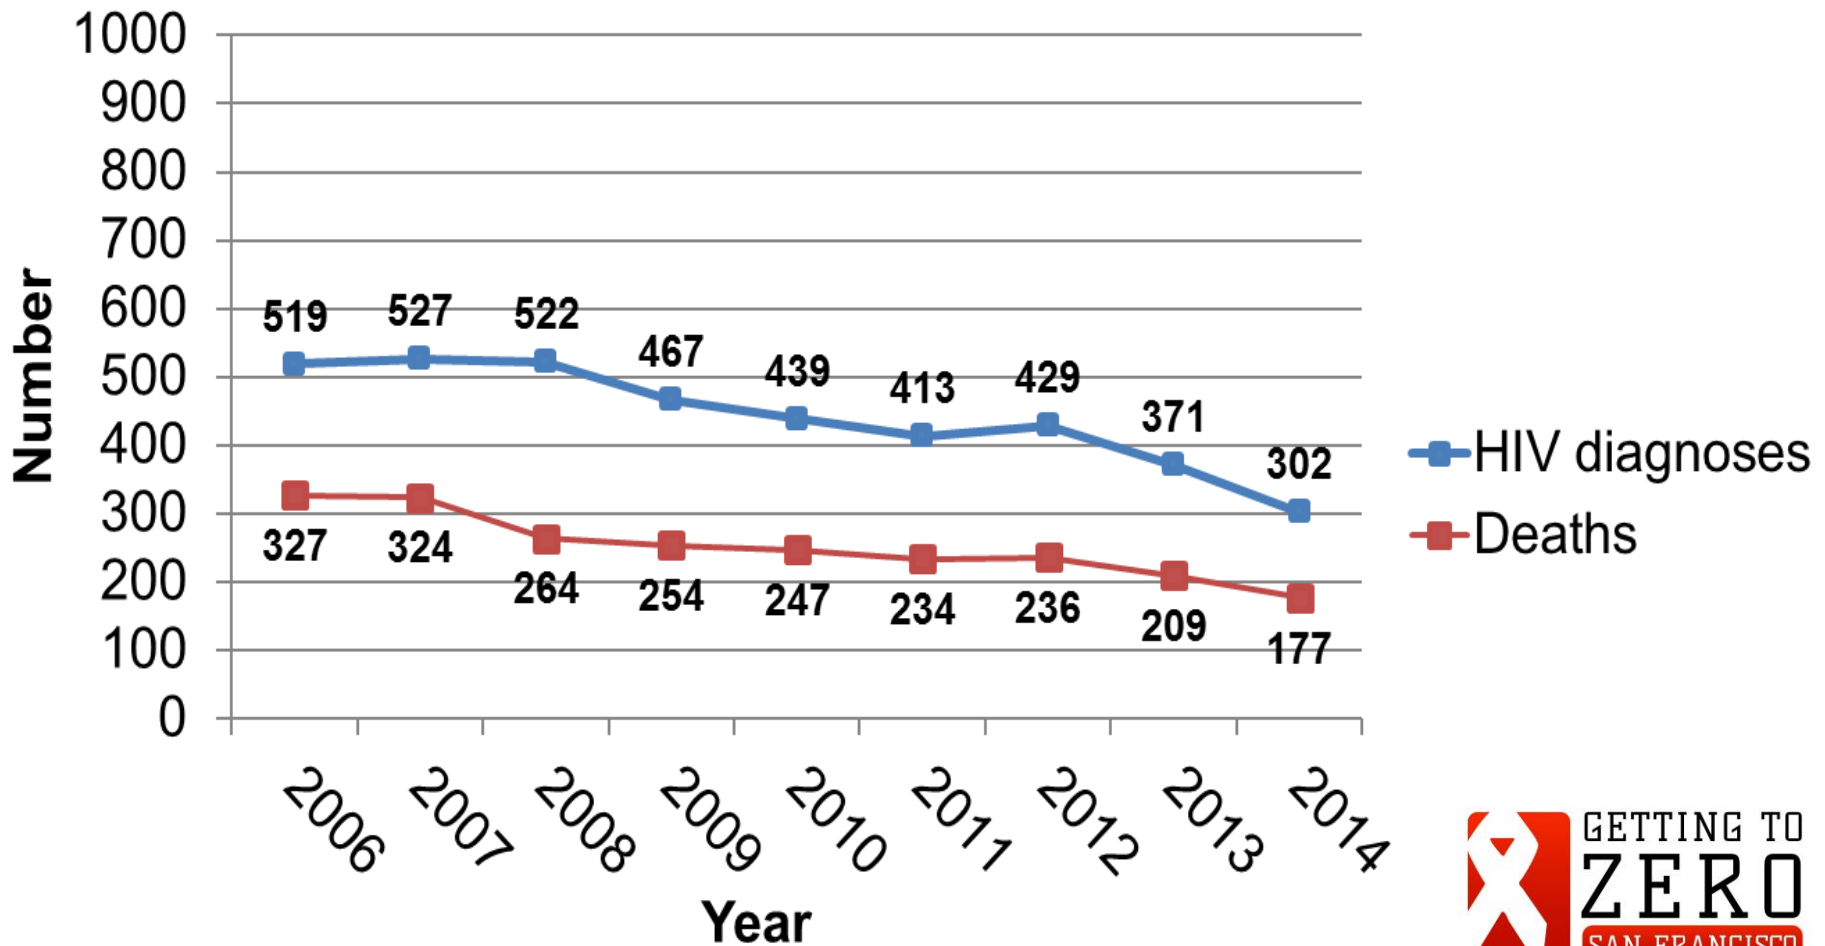

San Francisco's Getting to Zero Initiative

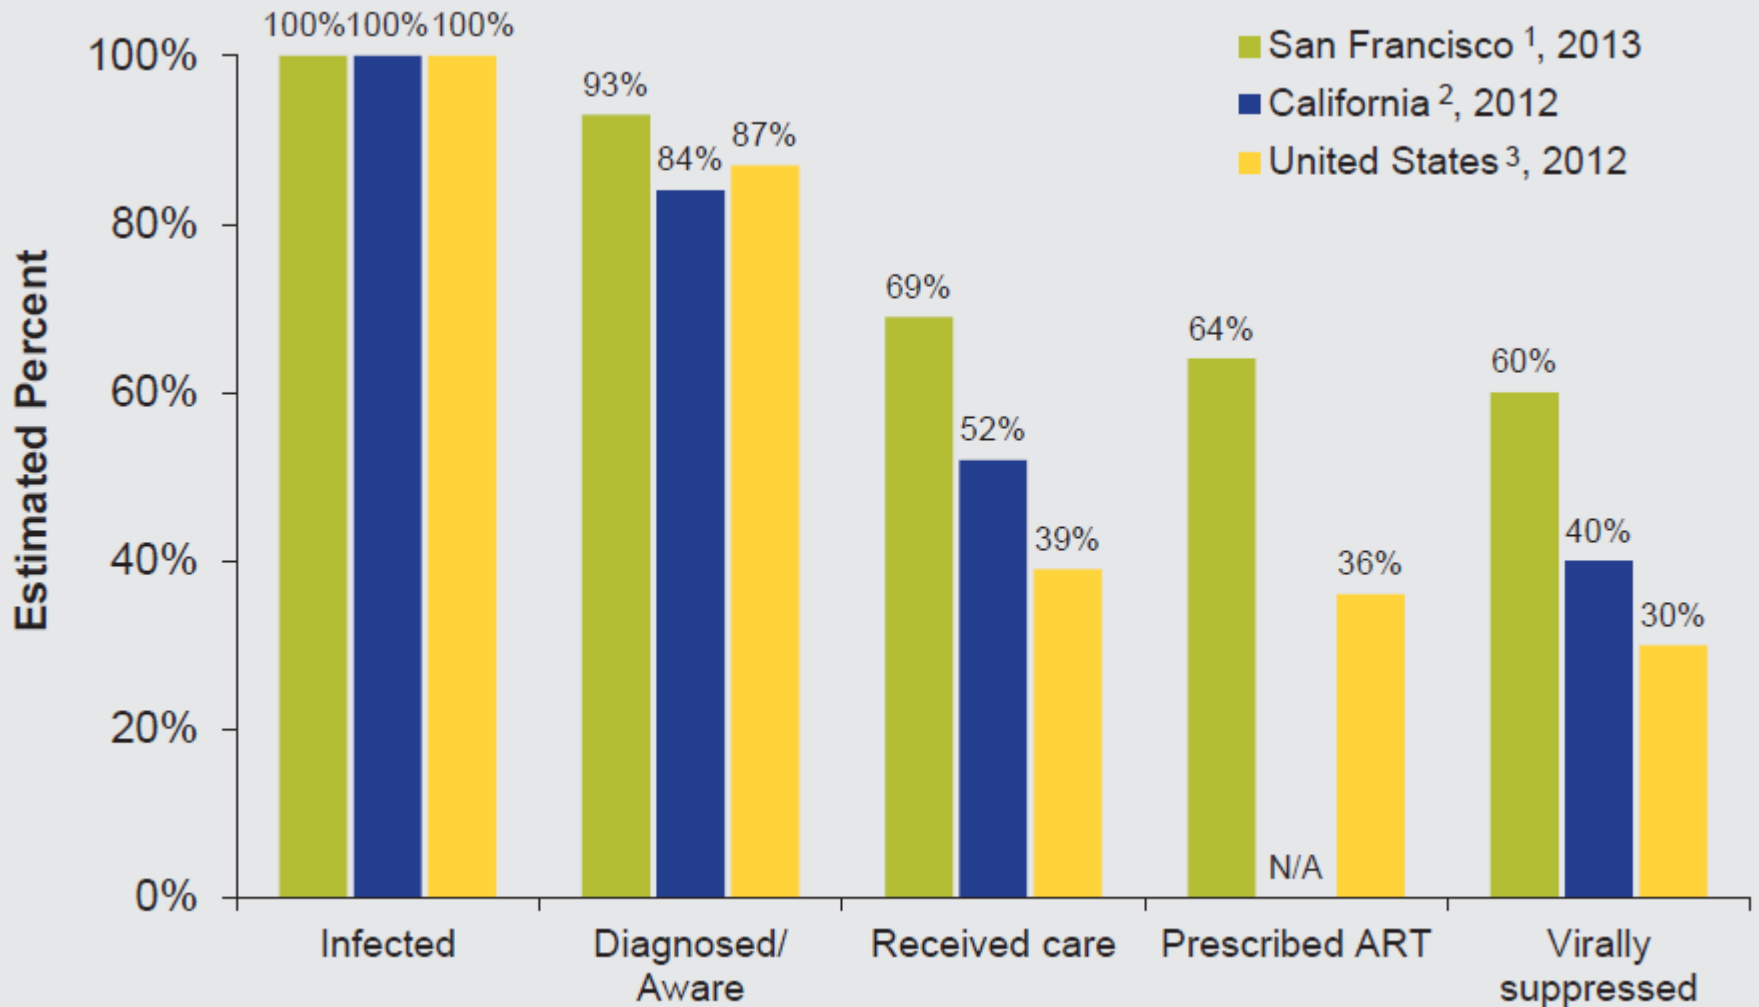

- ***Zero new HIV infections***
- ***Zero HIV deaths***
- ***Zero stigma and discrimination***

San Francisco Numbers

HIV Care Cascade, SF

Strategies that enhance the existing HIV system of care

City-wide
coordinated
PrEP
program

Rapid ART
start with
treatment
hubs

Linkage-
engagement
-retention in
care

Reducing
HIV
stigma

Strategies are built upon the foundation of HIV Prevention, Care, and Treatment Services, Programs funded by Ryan White, CDC, and City General Funds

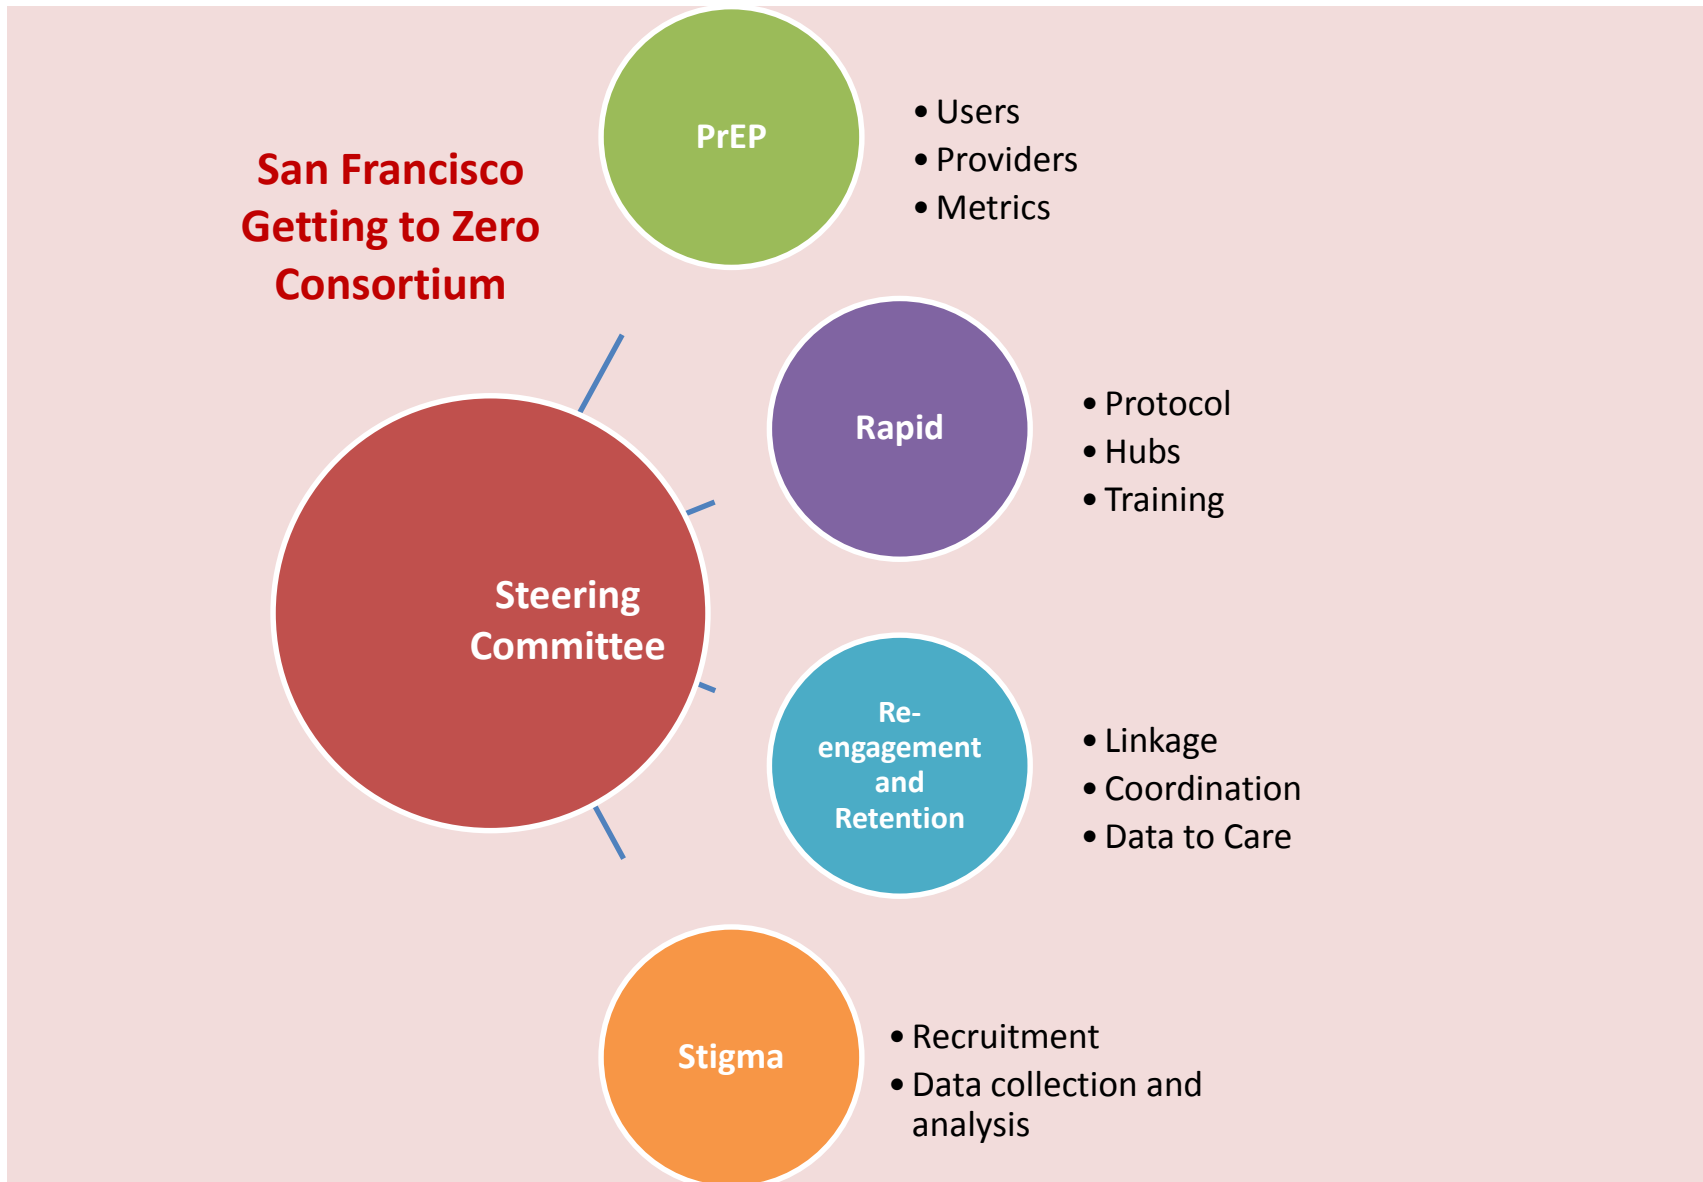

Strategic Priorities

- Build capacity for HIV programs for persons living with disease and at risk in San Francisco
 - Maintain funding for existing HIV prevention and care services
 - Achieve success in new initiatives
 - Address disparities in HIV care and prevention
 - Address the social determinants of health
- Secure funding and broad city/private sector support
- Create innovative programs
- Exchange best practices with other cities

Getting to Zero Infrastructure

- Steering Committee supports committees and oversees GTZ initiative.
- Committees develop strategies to meet the GTZ goals.
- Quarterly Consortium Meetings
- GTZ Google Group facilitates broad communication
- Website: GettingToZeroSF.org.

Getting to Zero Consortium Structure

What's Next for GTZ?

- City Funds to advance GTZ
 - PrEP navigation
 - RAPID hub expansion
 - Re-Engagement and retention by addressing barriers
 - Ending stigma through education
 - Strengthen capacity
- Develop PrEP “Cascade”
- Measure PrEP Persistence
- Develop metrics for all initiatives
- Maintain current HIV prevention and care programs (work with HAPN to support backfill)
- Work with other jurisdictions as requested.

GTZ/HIV Funding

GTZ committees identify priorities that build on current HIV programs to get to: zero new infections, zero HIV related deaths, zero HIV related stigma

GTZ Steering Committee reviews and sets budget priorities in tandem with committee chairs.

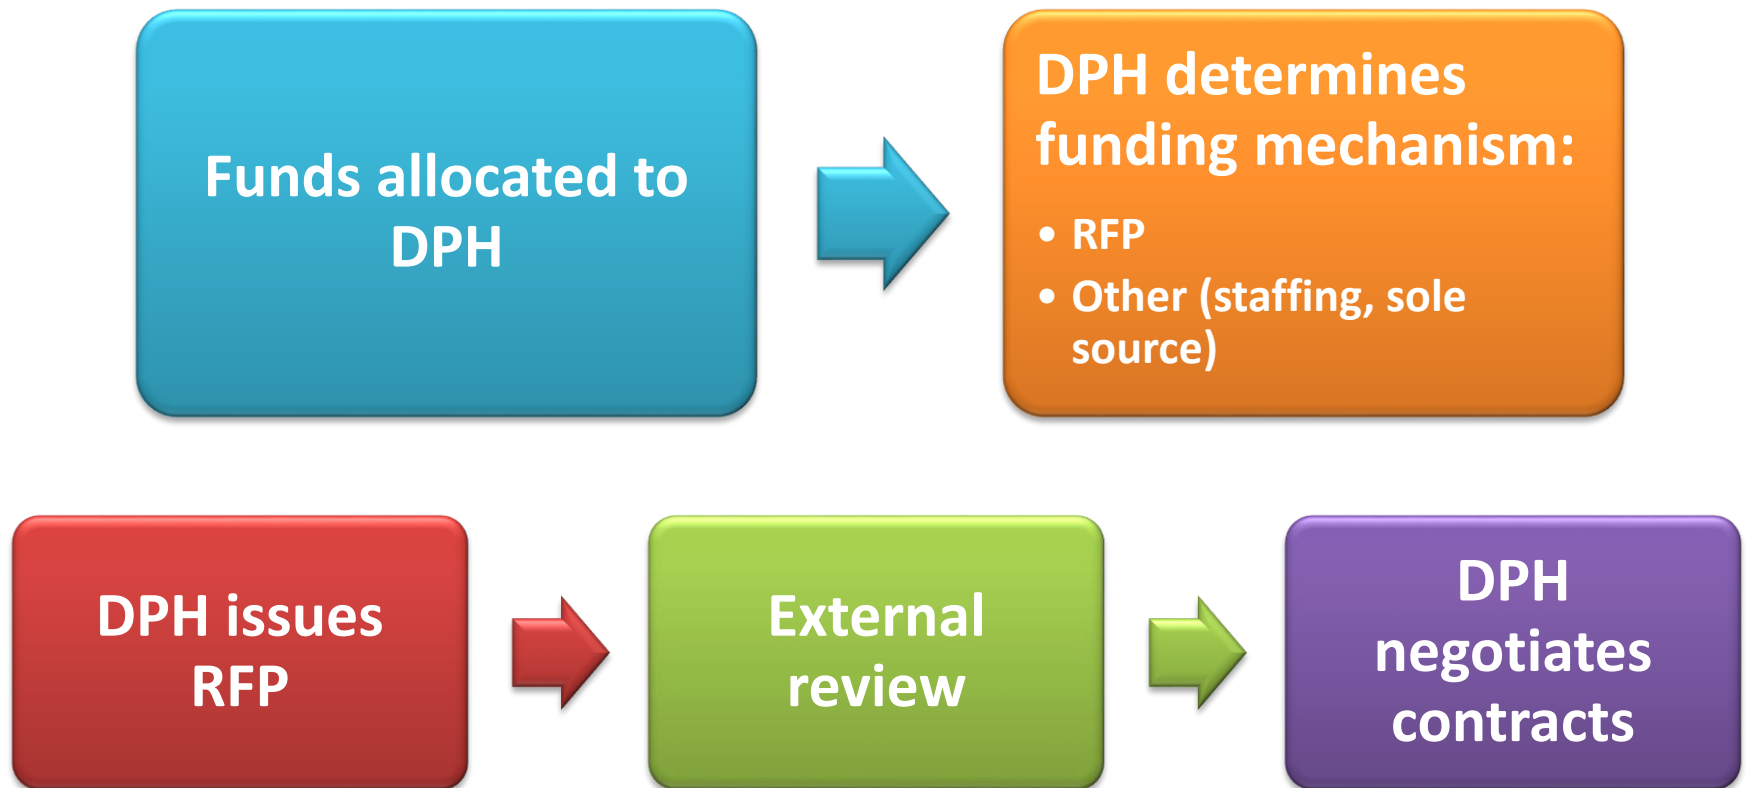

GTZ & HAPN collaborate to ensure sustained HIV funding for SF including backfill of federal reductions in addition to any new initiatives.

Funds allocated to DPH.

GTZ/HIV Funding Process

Category	Project Name
PrEP/Retention	Year 1 Getting to Zero (2015-16)
PrEP	Community-based PrEP services for Latino MSM, African American MSM, Young MSM, and Transwomen

Total: \$4,245,383

Questions?

How are HCPC and GTZ similar and different?

Collective Impact

- Common Agenda
- Common Program Measures
- Mutually Reinforcing Activities
- Communication
- Backbone Organization

HCPC?

HCPC and GTZ Working Together

- In what ways can HCPC and GTZ work together better?
- GTZ strongly encourages you to attend the next consortium meeting: **add date and time**

Thank you
