

RESOURCE ALLOCATION 2018-19

Motion (Council Affairs, Membership, Steering):

Increased Funding:

If increased funding occurs, the council will reconvene to discuss this scenario.

Flat Funding:

If funding remains at the current level, service category resource allocation will remain level across all categories.

Decreased Funding:

In the event of decreased funding, for the first 10% of reductions, allocations for services that are covered under California's essential health benefits package* will be reduced proportionately. If further reduced allocation is required, reductions will occur proportionately across all service categories.
