Government's duty is to serve the public, reaching its decisions in full view of the public. Commissions, boards, councils and other agencies of the City and County exist to conduct the people's business. The Sunshine Ordinance assures that deliberations are conducted before the people and that City operations are open to the people's review. For information on your rights under the Sunshine Ordinance (Chapter 67 of the San Francisco Administrative Code) or to report a violation of the ordinance, contact Sunshine Ordinance Task Force at 1 Dr. Carlton B. Goodlett Place, Room 409, by phone at (415) 554-7724, by fax at (415) 554- 7854, or by email at [sotf@sfgov.org](mailto:sotf@sfgov.org). The Planning Council has several standing committees where Council business and creation of motions for Council action occur, and members of the public are urged to attend. Council procedures do not permit: 1) persons in the audience at Council meeting to vocally express support or opposition to statements by Council members or by other persons testifying, outside of public comment; 2) ringing of cell phones, pagers, and similar sound-producing electronic devices; 3) signs to be brought into the meeting or displayed in the room; members of the public are encouraged to testify at Council meetings and/or to write letters to the council members, c/o HIV Community Planning Council, 730 Polk Street, 3rd Floor, San Francisco, CA 94109.
