

Resource Allocation 2015-16

Motion (Steering, GPA, Membership, CCA, PLWH Advocacy Group*):

Decreased Funding:

In the event of decreased funding, for the first 10% of reductions, allocations for services that are covered under California's essential health benefits package will be reduced proportionately. If further reduced allocation is required, reductions will occur proportionally across all service categories.

Flat Funding:

If funding remains at the current level, service category resource allocation will remain level across all categories.

Increased Funding:

In the event of increased funding, increases will occur proportionally across all service categories.
