   • CM Shriver noted that the World AIDS Day Consortium meeting is taking place on December 5th from 6:00-8:00pm in this room. The focus will be on health disparities.

5. Public Comment
   • Jacquelyn and Christine spoke to the recent passing of SB159, which will allow pharmacists to dispense PrEP and PEP.
     • CM Knoble noted that CHEP is in the midst of a Pilot related to SB159.
6. Council Staff Update

- CS Molnar noted that all meetings in December have been canceled except for the Steering Retreat. The retreat will be on Thursday December 5th, at 25 Van Ness 8th floor from 2:30-5pm. All are welcome to attend.
  - CS Cone will be sending out the new committee assignments by mid-December. Council staff tries to balance each committee with a mix of providers and consumers of services.

7. SOA Update

- CM Andrews and Nicole Lacey provided the SOA and ADAP updates, including:
  - Strategy A: Improve Pre-Exposure Prophylaxis (PrEP) utilization
  - Strategy D: Improve Linkage to Care
  - Strategy J: Increase Rates of Insurance/Benefits Coverage for PLWH or on PrEP
  - Strategy L: Increase and Improve HIV Prevention and Support Services for People Who Use Drugs
  - Strategy N: Enhance Collaborations and Community Involvement
  - Strategy O: Further Leverage Existing Resources to Better meet the Needs of People at Risk for and Living with HIV in California
- CM Pearce spoke to ADAP coverage. Can you speak to the recent trend of decreased enrollment?
  - Nicole responded that this is a typical trend-- people tend to go off and on of ADAP.
  - CM Pearce requested that SOA add the year-to-date enrollment statistics as part of each month’s ADAP report.
- CM Lee-Miyaki asked about the details of ADAP enrollment.
  - Nicole responded that clients can now call and enroll themselves-- they don’t need to go through their enrollment worker.
  - CM Lee-Miyaki asked if there is a way for people to sign in and do their own self-verification to get started.
    a. Nicole responded that this option is available.

8. HIV and HCV Services for Youth

- Eva Kersey and Patrick Barresi presented on Larkin Street Youth Services, including:
  - Mission
  - Larkin serves 2,500 youth per year, most and bay area natives and youth of color
  - Larkin Street’s Continuum
  - Assisted Care Program
    - Hyde Street
    - Hugo Street
  - Housing: A Public Health Intervention
• Assisted Care: Trends and Challenges
• HIV and HCV Prevention Services
• Rapid Testing 2018/19
• PrEP Navigation
• Prevention: Trends and Challenges
• Multi-sector Collaboration

• CM Cooper asked about peer-to-peer mentor programs in relation to substance use and recovery. She spoke to the spectrum of Substance Use Disorders.
  • Patrick responded that they do not impose a definition of substance use and addiction with their clients. Their approach involves motivational interviewing and harm reduction in a way to help folks identify how substances are impacting their lives. They want to keep the conversations going.
  • Eva added that they have had mentor programs in the past but don’t have the capacity right now. Staff provide some support, though it is not an equal peer relationship since the staff hold more power. They also strive to hire a diverse range of folks so that clients can work with people who look like them and have shared similar experiences.

• CM Pearce asked about the age range of clients.
  • Eva responded that most clients are aged 18-24, though they do have an emergency shelter for folks under 18. While many programs have a hard cut off at age 25, they have some intermittent housing programs for people aging out of services.

• CM Sullivan spoke to the prevalence of Larkin’s advertisement campaign— how is it working so far?
  • Eva responded that they are getting positive feedback. It’s an awareness raising campaign. 20% of people who are homeless in the city are under 25, yet it is very underfunded issue.

• CM Bright inquired if they are requesting genotype blood draws for treatment?
  • Eva noted that some providers require a genotype in order to receive treatment.

• CM Jewell asked the presenters to elaborate on off-site services relating to HCV.
  • Eva responded that our medical concierge services go once per week to the SROs where we are housing people.

• CM Jewell spoke to the challenge of staff turnover.
  • Patrick noted that Larkin is making staff sustainability a priority. They are doing the best with the resources they have.
  • Eva added that going forward, affordable housing needs to include nonprofit workers. When the city funds programs, they need to be fully funded. That way the money we get from the private sector can support our staff.

• CM Bright spoke to his personal experience and the difficulty of meeting with case managers. How can we support clients with different work hours?
